

Oral Facial and Psycho-Social Dynamics Related to Tongue and Lip Ties

Saturday, April 29, 2017
9:00am – 11:00am 2 CEU
Tuition: \$50

Audience: All Dental Professionals
Location: 5850 E Still Circle Mesa, AZ – Mesquite Room
Registration begins at 8:30am

Register online at <http://ce.atsu.edu/>

Join us as we discuss the diagnosis and treatment of ankyloglossia and lip ties in newborns, infants, and children. Lasers are a safe and effective treatment mode for these conditions and a wide range of “tissue issues”. Participants will review a number of cases that have been successfully resolved through use of lasers and learn appropriate post-surgical soft tissue maintenance.

At the conclusion of this presentation, participants will be able to:

1. Recognize lip and tongue tie symptoms.
2. Develop a TAP score.
3. Discuss laser treatment protocols for lip and tongue tie conditions.
4. Provide appropriate post-surgical soft tissue maintenance recommendations.

Meet the Instructor

Robert Levine, DDS is a graduate of New York University. He completed a two-year residency at the VA Hospital in Brooklyn, N.Y. and remained as a consultant while maintaining a private practice in NYC until 2005. Dr. Levine has more than a decade of experience in the laser arena, both in academic and private practice. He has been a full time faculty member at Arizona School of Dentistry & Oral Health since 2008. Dr. Levine is past clinical director of the AEGD Post Graduate program and currently Director of Laser Dentistry. He is widely published on the science and use of CO2 laser technologies in dentistry and a frequent lecturer on lasers and emerging technologies in dentistry.

Dr. Levine is the President and Owner of Global Laser Oral Health (GLOH).

A.T. Still University Arizona School of Dentistry & Oral Health is an ADA CERP Recognized Provider.

ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. A.T. Still University Arizona School of Dentistry & Oral Health designates this activity for 2 continuing education credits.

Concerns or complaints about a CE provider may be directed to the provider or to the Commission for Continuing Education Provider Recognition at ADA.org/CERP.
