

## **From Risk to Results**

### **Periodontal Instrumentation for the Advanced Practitioner**

Saturday, September 22, 2018

8:30am – 11:30am 3 CEU

Tuition: \$65

Audience: Dentists, Dental Hygienists

Location: 5850 E Still Circle, Mesa, AZ

Sign-in and classroom access available at 8:00am

This course will provide the clinician with evidence-based tools and strategies to approach periodontal disease including the use of risk assessment protocols, salivary diagnostics, incorporation of the dental exam, and progressive treatment planning. Advantages of ultrasonic instrumentation for obtaining successful clinical outcomes will also be examined.

At the conclusion of this presentation, participants will be able to:

- Apply evidence-based decision making for the provision of optimal patient outcomes.
- Discuss the unique relationships between oral and systemic conditions.
- Discuss the use of salivary diagnostics to examine the presence of pathogenic bacteria, genetic markers, and elevated C-reactive protein.
- Describe the role ultrasonic instrumentation plays in biofilm disruption within deeper periodontal pockets and furcations.
- Select ultrasonic inserts according to patient periodontal status.

#### **Meet the Instructor:**

**Monica Monsantofils, BSDH, EPDH, PG Dip**, is the West Clinical Educator for DENTSPLY SIRONA. Monica received a dental hygiene degree from Portland Community College, Bachelor of Science in Dental Hygiene from Eastern Washington University and PG Diploma of Dental Sciences from King's College London, UK. Monica has more than 30 years of clinical experience in periodontal and general practices and 13 years of academic experience in advanced instrumentation, community oral health, and restorative functions.

## General Information

**Registration:** All registrations must be completed online and are processed in the order in which they are received and as space permits. Registrations will not be processed without full payment.

**Course Location:** The course will be held on the campus of A.T. Still University, 5850 E. Still Circle, Mesa, AZ 85206. Ample free parking is available adjacent to the building.

**Day of Course:** Sign in and room access available 30 minutes prior to course start time.

**Continuing Education Credit:** Continuing education credits are awarded on an hour-for-hour basis. Attendees will receive 3 credit hours of continuing dental education.

**Refund and Cancellation Policy:** A tuition refund, less a \$50 cancellation fee, will be issued for notice of cancellation up to seven days prior to the course. Refunds cannot be given for missed courses. Arizona School of Dentistry & Oral Health (ASDOH) reserves the right to cancel a course up to 30 days prior to the event and will not be responsible for additional expenses incurred by registrants. In the event that ASDOH cancels a course, the full registration fee will be refunded to registrants.
